KG Information Systems Pvt. Ltd is a front running information technology consulting and services company, servicing global clients in focus areas like process reengineering, systems integration, customized ERP solutions and engineering services such as CAD, document management and concurrent engineering. The BPO operations of the company boast of international quality Call-centre Operations and a top-of-the-line Medical Transcription infrastructure.

THE DR. GB SCHOLARSHIPS FOUNDATION

Recognizing the need for social connect with the future technology generation KGISL has instituted, as its first endeavor, a sponsored Scholarship for budding talent in the Information Technology education. The scholarship purports to identify deserving bright candidates who intend to pursue an IT career and support their education with a one-time scholarship of Rs. 25000/- towards furthering their opportunity in quality IT Education.

WHO IS ELIGIBLE TO APPLY FOR THE SCHOLARSHIP?

Students currently in the final year of undergraduate education, in programmers that will qualify them for admission to post-graduate education in Computer Applications / Information Technology (BCA, B.Sc. Computer Science, B Com, B.Sc. Mathematics, etc.) Students who have consistently maintained a good academic record in the UG programme (60% and above average grades / Nil arrears) Students who specifically intend to get admission at one of the recognized institutions for Postgraduate education in Information Technology / Computer Applications.

HOW TO APPLY?

Qualifying candidates should be nominated by the Head of the Institution, the student is currently studying, in the prescribed application form (available with the head of the institution /to be downloaded from our website) and forward his application through the institution to the foundation. Each Institution can nominate a maximum of 10 such students for the consideration of the foundation to the scholarship.

SELECTION PROCESS

Students so nominated by their respective institutions will have to present themselves for a Primary Evaluation Programme (PEP) at KG Campus Saravanampatty, Coimbatore. The PEP will comprise

- a written aptitude test
- a psychometric evaluation of the student
- a basic IT skills evaluation
- English Language Skills Testing (written & Spoken)
- Rational thinking evaluation

The top 100 qualifying candidates will be invited to participate in an IT Quiz event that will add to their qualifying score for their final scholarship. (The quiz will comprise a written semi-final round and an on stage final round.)

Invitations to visit KG Campus for PEP & Quiz event will be notified separately and through our website.

SCHOLARSHIP PLUS FASTTRACK PROGRAMME

KGISL will further support the case of awarded scholars by placing them on the fast-track programme which will entitle them to

Preferred status for summer placements and projects at KGISL and associate infrastructure
Preferred status for Campus Jobs at KGISL
Preferred status admission to KGISL sponsored IT / ITES career education
