

Tata Housing Scholarship for Meritorious Girl Students 2015-16

Objectives:

The objective is to recognize, promote and financially assist the meritorious Girl Students belonging to economically weaker sections, so that they are able to complete higher education in **civil engineering, architecture and construction project management** and be a part of the flourishing Real Estate Industry. This prestigious much sought after National Scholarship was instituted in the year 2014-15.

Eligibility:

Girls applying for this scholarship must be fulfilling all the three conditions mentioned below to be eligible for consideration for the award of the scholarship. The scholarships will be awarded based on **competitive merit and need**. All other things being equal, **preference will be given to students belonging to scheduled caste (SC) and scheduled tribe (ST) communities**.

- The scholarship is open to girls studying **2nd year of Civil Engineering/Architecture** in any 4 years-degree course such as B. Tech/B.E/B. Arch in any institute located in India and affiliated to any University recognised by law in India. Girl students studying **1st year of full-time 2 years MBA course in Construction Project Management** in any institute located in India and affiliated to any University, recognised by law in India, are also eligible to apply for this scholarship.
- Girls studying Civil Engineering/Architecture must have secured **at least 50 percent marks in aggregate in the First Year of Engineering/Architecture** course. In case of MBA in Construction Project Management, they should have secured **at least 50 percent marks in aggregate in the qualifying degree** examination.
- The total annual family income of the parents/guardians (in case parents are not alive) must not be more than Rs 3 Lakh (Rupees Three Lakh only) from all sources in the preceding financial year.

Scholarship Amount:

- The expenditure towards payment of admission fees, tuition fees, library fees, examination fees, purchase of books etc will be **reimbursed on submission of appropriate proofs, subject to a maximum limit of Rs 60 thousands only**.
- In case the student is in **receipt of any other scholarships**, the **differential amount** (cost incurred and scholarship received from other source) will only be reimbursed.

Continuing of scholarship

A student who gets the scholarship will continue to receive scholarship in the 3rd and 4th year of engineering/architecture and 2nd year of MBA, subject to the condition that she secures at least 60 percent of marks in aggregate in the preceding academic year.

Submission of Applications: All eligible students desirous of availing this scholarship are required to submit their application in the given format, along with enclosures, on **or before the due date ie 20th December 2015**.
