VISION AND MISSION

GTSE is a Registered Organization Popularizing Science, Mathematics and Aptitude skills among school children, established by leading academicians, IITians and senior lecturers.

Nowadays it is necessary for every student to be perfect in science and mathematics along with aptitude skills as entrances like ISEET, NEET are based on them. Our exam helps a lot for those exams and for several other national and International Olympiads.

To identify and encourage the students with exclusive scientific and aptitude skills so that they can build their confidence and they can decide their future path. Here we are providing them with a unique competitive platform where they can prove themselves.

A successful gtse olympiad candidate can easily crack any national level exam after his/her +2 or even they can easily crack CAT/BANK PO's. student who clears our GST Test can easily clear all bank tests as well NTSE.

SYLLABUS

OLYMPIAD TEST:

The syllabus of the GTSE is the same as their Central Board and State Board syllabus. But It demands greater depth of understanding, knowledge, skill and application of concepts. You may not find the exact questions in your books. For the detailed syllabus and for the level of difficulty and design of the paper please **go through our website www.gtse.org**.

You have to follow the IIT Foundation books available in market or contact your class teacher for guidance.
